Corporate Gifts

2025

Good Day.

We are a boutique-sized corporate gifting company with design capability, that specializes in curating intentional corporate gifts that align with the needs of your organization and your publics. Here, we pride ourselves on our personalized approach, ensuring that each gift reflects the unique values and culture of your business. The range of products that we offer are thoughtfully curated, tried and tested by our team, to ensure that it meets our stringent standards, before it comes to you.

Chan

Project Director

“Gifts are not merely items handed out to mark an occasion; they are messages from the company to its business partners, clients and employees, symbolizing thought, care and connection”

Why Us?

With 2 decades of experience in event management, design and corporate gift services, we continue to challenge ourselves to be intentional and responsible in the selection and procurement of gift items, to meet our clients needs. We value our partners (both clients and suppliers) and always work to achieve a win-win in all our projects. As a company, we strive to offer the following assurances :

Direct from Source

We make it our business to ensure gift items sourced are from responsible partners. Our team in source market partners directly with manufacturers.

Customisation & Repackaging

The details matter. We go the extra step to ensure product packaging, right down to the manuals are clear and user-friendly. Where needed, we support our clients and our suppliers, by redesigning and customizing packaging to enhance the gift item.

Quality Control

Each product is tested by the team to ensure that it possess our stringent standard, before they are proposed and offered for your selection. It is our guarantee.

Terms of Engagement

1. Scope of Services

We provide curated corporate gifting services, including the selection, customization, packaging, and delivery of gifts. All products and services are subject to availability and may be substituted with items of equivalent value if needed.

2. Quotation and Acceptance

A formal quotation will be provided based on client's requirements. Prices are valid for 5 business days and are subject to prevailing GST. Acceptance of the quotation must be confirmed in writing to initiate the project.

3. Customization and Approvals

Customizations, including branding or special packaging, will be provided according to client's specifications. All designs and samples must be approved in writing before production begins. Once production starts, we cannot be held liable for customization errors arising from client-approved samples.

4. Payment Terms

A 50% deposit is required upon acceptance of the quotation, with the remaining balance due upon delivery or according to an agreed payment schedule. Payments are to be made via the specified payment methods.

5. Delivery and Lead Times

Lead times for production and delivery will be confirmed upon acceptance of client's order. We provide free delivery to one destination, on all orders within Singapore.

Any delays caused by factors beyond our control (e.g., courier delays, supplier issues) will be communicated promptly.

6. Cancellations and Modifications

Any cancellations after order confirmation will incur charges. Modifications can be made and the fee will depend on the production stage.

7. Returns and Exchanges

Due to the complexity of customized items, defective customized items are non-replaceable. In the event of a defect, please return the item within 7 days, and a refund will be issued after verification.

We look forward to the opportunity to support you and your organization in your corporate gift-giving needs.
